This Civil Case Management Plan and Scheduling Order is submitted by the parties in accordance with Federal Rule of Civil Procedure 26(f)(3):

1. All parties [consent _____ / do not consent **X**] to conducting all further proceedings before a United States Magistrate Judge, including motions and trial. 28 U.S.C. § 636(c). The parties are free to withhold consent without adverse substantive consequences. *[If all parties consent, the remaining paragraphs need not be completed.]*
2. The parties [have _____ / have not **X**] conferred pursuant to Federal Rule of Civil Procedure 26(f).
3. The parties [have **X** / have not _____] engaged in settlement discussions.
4. Any motion to amend or to join additional parties shall be filed no later than October 15, 2025. *[Absent exceptional circumstances, a date not more than thirty (30) days following the initial pretrial conference.]* Note: Pursuant to Paragraph 3(C) of the Court's Individual Practices in Civil Cases, the Court will deny a motion to dismiss as moot, without prior notice to the parties, if a plaintiff amends its pleading without objection from the defendant. The moving party may then (a) file an answer or (b) file a new motion to dismiss. In the event the moving party wishes to rely on its initially filed memorandum of law, the party may so indicate in its motion to dismiss the amended pleading and need not file the memorandum of law again.

Pursuant to Paragraph 2(K) of the Court's Individual Practices in Civil Cases, parties may extend the deadlines set forth in Local Civil Rule 6.1 by an agreed-upon schedule, which shall govern as long as it is disclosed to the Court in a letter accompanying the initial motion. The parties should discuss any anticipated motion in advance of the Initial Pretrial Conference and should come prepared to discuss a proposed briefing schedule for any anticipated motion.

5. Initial disclosures pursuant to Rule 26(a)(1) of the Federal Rules of Civil Procedure shall be completed no later than August 6, 2025. [*Absent exceptional circumstances, a date not more than fourteen (14) days following the initial pretrial conference.*]
6. All fact discovery is to be completed no later than December 15, 2025. [*A date not more than one hundred twenty (120) days following the initial pretrial conference, unless the Court finds that the case presents unique complexities or other exceptional circumstances.*]
7. The parties are to conduct discovery in accordance with the Federal Rules of Civil Procedure and the Local Rules of the Southern District of New York. The following interim deadlines may be extended by the parties on consent without application to the Court, provided that the parties meet the deadline for completing fact discovery set forth in Paragraph 6 above.
 - a. Initial requests for production of documents shall be served by September 19, 2025.
 - b. Interrogatories pursuant to Rule 33.3(a) of the Local Rules of the Southern District of New York shall be served by September 19, 2025. [*Absent exceptional circumstances, a date not more than thirty (30) days following the initial pretrial conference.*] No Rule 33.3(a) interrogatories need to be served with respect to disclosures automatically required by Federal Rule of Civil Procedure 26(a).
 - c. Unless otherwise ordered by the Court, contention interrogatories should be served consistent with Rule 33.3(c) of the Local Rules of the Southern District of New York.
 - d. Depositions shall be completed by December 15, 2025.
 - e. Requests to Admit shall be served no later than November 21, 2025.

9. All discovery shall be completed no later than January 23, 2026.
10. The proposed joint pretrial order shall be submitted on ECF in accordance with the Court's Individual Practices in Civil Cases and Federal Rule of Civil Procedure 26(a)(3) no later than February 23, 2026.
11. A post-discovery status conference shall be held on: January 29, 2026 at 11:00 AM. A joint letter updating the Court on the status of the case shall be filed on ECF by one

week prior to the status conference. The letter must be no more than three (3) single spaced pages and should include the following information in separate paragraphs:

- (4) the status of settlement discussions;
- (5) the anticipated length of trial and whether the case is to be tried to a jury;
- (6) whether the parties anticipate filing motions for summary judgment; and any other issue that the parties would like to address at the pretrial conference or any other information that the parties believe may assist the Court.

12. Any motion for summary judgment must be filed no later than February 6, 2026.
[Absent exceptional circumstances, a date fourteen (14) days from the completion of all discovery.]

13. This case [is ____ / is not ____] to be tried to a jury.

Paragraph 13. The parties disagree as to whether Plaintiff's claims are subject to the jury waiver provision in Section 11.12 of the Purchase Agreement. Plaintiff contends its claims against Barajas are subject to that provision, but concedes its claims against Wolff, Raffles, and USA Contracting Co, LLC are not subject thereto.
